LETTER OF UNDERSTANDING

Dear GenVisa Clients, as your business is very important to us and to avoid any misunderstanding on visa processing times, please read this letter very carefully, sign, date, and include with the rest of your documents.

The purpose of this letter is to give you a better understanding of Jordan E-Visa processing times. Jordan E-Visa has a limited, 60-day validity from the day the Embassy approves it. For us to ensure that your visa remains valid during your entire stay in Jordan, the earliest we can present your application to the Embassy is 50 days prior to your expected entry date into the country. For example, if you enter Jordan on June 1st, 2024 your application can only be submitted to the Jordanian Embassy after April 10th, 2024. Submitting your application before that date will result in a visa expiring before your trip even begins.

If you send your documents too early, please expect additional processing time to ensure the full visa coverage of your stay.

If you made other travel arrangements that require you to have the passport well before your trip to Jordan, please consider other validity options for the visa. For example, you can obtain a double entry visa with 90-day validity, which will allow the submission to the Embassy 80 days prior to your expected entry date into Jordan. **Double Entry 90-day validity E-Visa is \$30 more than the Single Entry E-Visa.**

By signing this letter, you agree and acknowledge:

- time constraints in submitting Jordanian Visa applications
- opportunity to upgrade visa validity to allow faster turnaround
- submitting your documents too early will result in longer processing time
