There are some countries which their nationals require special clearance from the Commissioner General of Immigration or the Commissioner of Immigration (Zanzibar) before issuance of the Visa. These countries fall under the **Referral Visa Category.**

Applicants whose nationals fall under the **Referral Visa category** are **not advised** to book flight tickets or make payments for any reservations in Tanzania before they get approval for their Visa. Applicants of Referral Visa are advised to apply at least three months before their date of travel; What is recommended for the passport holders of those countries is for applicants to seek permission clearance first, through their host in Tanzania. In this case, the host submits the request letter detailing the reasons and duration of stay of the visitor, to the Commissioner-General of immigration, or the Commissioner of Zanzibar, if the applicant wishes to visit Zanzibar.
